The Lost Chapter of Genesis:

Adam was hanging around the Garden of Eden feeling very lonely.

So, God asked him, "What's wrong with you?"

Adam said he didn't have anyone to talk to.

God said that He was going to make Adam a companion and that it would be a woman.

He said, "This pretty lady will gather food for you, she will cook for you, and when you discover clothing, she will wash it for you.

"She will always agree with every decision you make and she will not nag you, and will always be the first to admit she was wrong when you've had a disagreement. She will praise you!

"She will bear your children and never ask you to get up in the middle of the night to take care of them.

"She will NEVER have a headache and will freely give you love and passion whenever you need it."

Adam asked God, "What will a woman like this cost?"

God replied, "An arm and a leg."

Then Adam asked, "What can I get for a rib?"

Of course the rest is history.....

A dietitian's sense of humour!

Subject: In the Beginning ...

God covered the earth with broccoli, cauliflower and spinach combined with an abundance of green, yellow and red vegetables. He did this so that Man and Woman would live long and healthy lives. Then, using God's bountiful gifts, Satan created doughnut and ice cream shops. And Satan said: "You want hot fudge with that?" And Man said: "Yes!" And Woman said: "I'll have one too...with sprinkles." And low and behold they gained 10 pounds.

And so God created the healthful yogurt that Woman might keep the figure that Man found so fair.

And Satan brought forth white flour from the wheat, and sugar from the cane, and combined them. And Woman went from size 6 to size 18.

So God said: "Try my fresh green garden salad." And Satan presented crumbled Bleu Cheese dressing and garlic toast on the side. And Man and Woman unfastened their belts following the repast. God then said: "I have sent you heart-healthy vegetables and olive oil in which to cook them." And Satan brought forth butter-dipped lobster chunks, and chicken-fried steak so big it needed its own platter. And Man's cholesterol went

through the roof.

Then God brought forth the potato, naturally low in fat and brimming with potassium and good nutrition.

Then Satan peeled off the healthful skin, sliced the starchy centre into chips and deep-fried them in animal fats adding copious quantities of salt. And Man packed on more pounds.

God then brought forth running shoes so that his children might lose those extra pounds. And Satan introduced cable TV with remote control so Man would not have to toil changing the channels. And Man and Woman laughed and cried before the flickering light and started wearing stretchy lycra jogging suits.

God then gave lean beef so that Man might consume fewer calories and still satisfy his appetite. And Satan created burger bars and the 99p double cheeseburger. Then Satan said: "You want fries with that?" And Man replied: "Yes! And super size 'em!" And Satan said: "It is good." And Man and Woman went into cardiac arrest.

God sighed...and created quadruple bypass surgery. Satan chuckled and turned his attention to the National Health Service.

Friends are angels who lift us to our feet when our wings have trouble remembering how to fly.
