

It's for Ewe!

Brothers, wives and guests enjoyed **Billericay Circle's** Annual Ball at Stock Brook Manor GC. The event had a Welsh theme, in honour of President Mike Evans and his wife Yvonne who both come from Wales.

Pictured is one of the evening's prize winners, Doug Baldwin of Upminster Circle (centre). Understandably, Doug had a "sheepish" grin as he was presented with his prize from Mike (right), who, although not wishing to "pull the wool over the eyes" or "fleece" those attending, was not averse to "ramming" home the Celtic connection to the evening. Looking on is the MC for the evening, Vice-President, Ray Keithly (left).

PROVINCE 20 VISITOR'S CUP CHAMPIONS

November saw over 140 brothers from around the Province arrive at **Fremantle Circle's** monthly meeting. **Darling Range Circle** had last won the Cup over 10 years ago and put in a determined effort to win it again so that they could host the cup again. They loaned a bus, had a major ring around and two thirds of the brothers were able to get to the meeting. It was all very nerve racking but eventually, at around 11 pm, the results were heard and the accompanying photo was taken of a very jubilant group of Darling Range brothers.

They have started the preparations already for a return meeting at Darling Range in May and welcome brothers from all circles in Province 20, including the two newest circles, to fight it out for the privilege of holding the next Visitor's Cup in November.

Fortyssimo for Fife!

In November, **Fife St Margaret Circle** celebrated their 40th Anniversary and were honoured by the presence of His Eminence Keith Patrick Cardinal O'Brien, Grand President John and Helen Clarke, two Directors, two Provincial Presidents and a host of Provincial luminaries. After the Loyal Toast, proposed by Provincial President Denis Naulty, Director Tony Godden toasted the Scottish Hierarchy. In reply, His Eminence was generous in his praise of the Association. Grand President, pictured right presented scrolls marking 40 years of membership to founder members Patrick Heneghan and Douglas Lamond and, in a stirring address, proposed a toast to the Circle, to which President John Molloy responded. The evening ended with Past President Christopher Barlow toasting the Circle guests.
