

Jack's 40 Years

Jack McDermott of **City of Liverpool Circle** is pictured, right, being presented with a 40 year scroll by Eric Smith, Director of Province 4. Jack is unable to attend meetings because he devotes his life to looking after his wife, Monica, who is almost blind, but he remains a loyal Catenian to his Circle of which he is a past President.

Tom - 60 Years a Catenian

Tom Lawless of **Liverpool Circle** No 4, celebrated 60 years in the Association on 15th December 2004, 22 of those years being spent in Liverpool No 4 circle and the past two years as a joint member in West Cheshire circle.

Unfortunately Tom has not enjoyed the best of good health recently so plans for a celebratory joint meeting with Liverpool and West Cheshire were changed and a small group gathered in Tom and Reba's home for the presentation of the 60 years scroll. The two circle presidents, Tony Dyson and Tom Heaney were joined by Past Grand President Dick Jones and a few of Tom and Reba's old Catenian friends for the presentation by Dick Jones, followed by a buffet lunch and chat about old times.

TORBAY HONOUR DUO

Torbay Circle added two more names to its list of long service members.

At the November meeting President Paul Shimell presented framed forty year membership certificates to Leslie Richardson and Toni Macari. Both of the brothers are only partly retired. Toni helps to run the family restaurant, which is named after him, while Leslie, who is still teaching, has a building at the South Devon College which bears his name.

Annual Bottle Draw

After **Manchester North & Middleton's** December meeting the annual bottle draw and social took place with 70 people in attendance.

Grand President John Clarke attended and was given a warm Lancashire welcome by President Arthur Douglas, shared by all brothers present.

The main prize winner was Provincial entertainment officer Phil Brown of **Davyhulme Circle**.

Pictured are Grand President John Clarke with Circle President Arthur Douglas ready to start the draw.

40 Year Scroll For Carl

At **Weston-super-Mare's Circle** November meeting, the Gorman Cup - the Provincial Visiting trophy - was captured by **Bristol Circle** even though brothers were present from **Bath and Torbay Circles**. A Ladies buffet followed at which a 40 year membership scroll was presented to Carl Peterson by Provincial President Peter Davidson. Carl originally enrolled into Swansea Circle.
